

**DIRECTIONS TO THE RAILWAY STUDIO  
AT THE OLD STABLES AVONCLIFF FROM THE M4**

- Leave the M4 at junction 18 (signposted Bath, Stroud).
- At roundabout take exit onto the A46 (signposted Bath).
- Continue on the A46 going through Pennsylvania.
- At Cold Ashton roundabout take the 2nd exit onto the A46 (signposted Bath).
- As you approach the bottom of the hill, you will see an underpass ahead, look for the sign on the underpass first for Chippenham and then for Bradford on Avon (right hand lane).
- Follow the signs for Bradford on Avon which takes you on the Bathampton by-pass.
- At the end of the by-pass there is a roundabout, take the third exit (A363), which takes you under a railway bridge. Very quickly you will come to a fork in the road, take the right fork. Follow this road which takes you into Bradford on Avon.
- You will see a large church on your left and a pub called The Castle straight ahead.
- Take the second exit at the mini roundabout which goes down the hill. When the hill bends to the left (200yds) **do not follow the road down into the town centre**, but go straight across taking the minor road through Newtown and Belcombe, going out of Bradford.
- After about 1 mile you will come to a fork in the road signposted Avoncliff and Station. Take this left fork, and go along the lane with the railway on your left. The Old Stables is the second house on the left, or the last house on the lane, which ends at the canal.
